6:30 - 7:00	Review changes to the legislative draft to close the meeting with voting approval from the quorum to proceed
7:30 -	End the caucus at dinner

What to expect over the coming weeks:

<u>Day 4</u>	<ul style="list-style-type: none">• Create central survey / comment submission site and ready it for constituent feedback• Establish Social Media feedback loops for the UBI Caucus supporters• Legislative scribes work the draft into a piece of votable legislation• Host legislation document on the OpenUBI Project GitHub site for PDF distribution and social media linking• Distribute to all UBI Caucus supporters expecting feedback during the next 2 week, open comment window
<u>Day 5</u>	UBI Caucus supporters share legislation with their constituents directly, as well as the feedback survey site
<u>Day 20</u>	Feedback from survey organized and disseminated to all UBI Caucus supporters
<u>Day 21</u>	Live video conference to discuss feedback and assign UBI Caucus supporters to breakout groups, to address key feedback anomalies
<u>Day 25</u>	Breakout group meetings to address concerns, with legislative scribes present
<u>Day 30</u>	Voting UBI Caucus supporters, vote on needed modifications to the legislation (in-person or video) resulting in a better version of the legislation
